All Widgets come as Widgets, Shortcodes or Blocks. Learn more about our [Super Duper Widgets](#).

This is a [template widget](#) and should only ever be used on the **GD Archive template** page.

The ***Loop Paging*** widget is used to shows the pagination links if the current query has multiple pages of results. It is used almost exclusively on the **GD Archive page template** usually before or after the GD > Loop widget.

Widget Options

- Show Advanced pagination** – This will output specific information about the number of listings either before or after the pagination. E.g: *Showing Places 1-5 of 30*

📍 Closed now: ▾

Located in a Rittenhouse Square space evoking the free-wheeling spirit of a speakeasy, Village Whiskey is prolific Chef Jose Garces’ intimate, 30-seat tribute to the time-honored liquor. In fact, Village Whiskey features a veritable library of 80-100 varieties of whiskey. [Read more...](#) and scotch from
