This is the Settings Overview for the **GD > Settings > MultiRatings > General** page.

You need to have the [MultiRatings and Reviews](#) extension installed and activated in order to access these settings.

General Settings

- **Enable MultiRatings** – Check this option to enable MultiRatings on listings.
- **Enable Comment Images Upload** – Check to enable image uploads in comments.
- **Enable Optional MultiRatings** – Check to set MultiRatings as optional.
- **Comment Images Limit** – Specify the maximum number of images that can be uploaded to a comment.
- **Enable Review on Comments** – Check to enable user ratings on comments.
- **Enable Comment List Sorting** – Check to enable comment list sorting.
