All Widgets come as Widgets, Shortcodes or Blocks. Learn more about our [Super Duper Widgets](#).

The **Single Reviews** widget outputs the reviews/comments sections of a single post. This shows current reviews and allows the entry of new ones.

The comments section can only be output **ONCE** on the single details page, any further uses will not show. **If this widget is not used then the theme default section may show** in the theme defined position.

Extensions

- The MultiRatings and Reviews Extension can add multi-rating options and image upload options to ratings.
