How do I change the default location?

⌚ 1 min read Last Updated: ⌚ 4 months ago

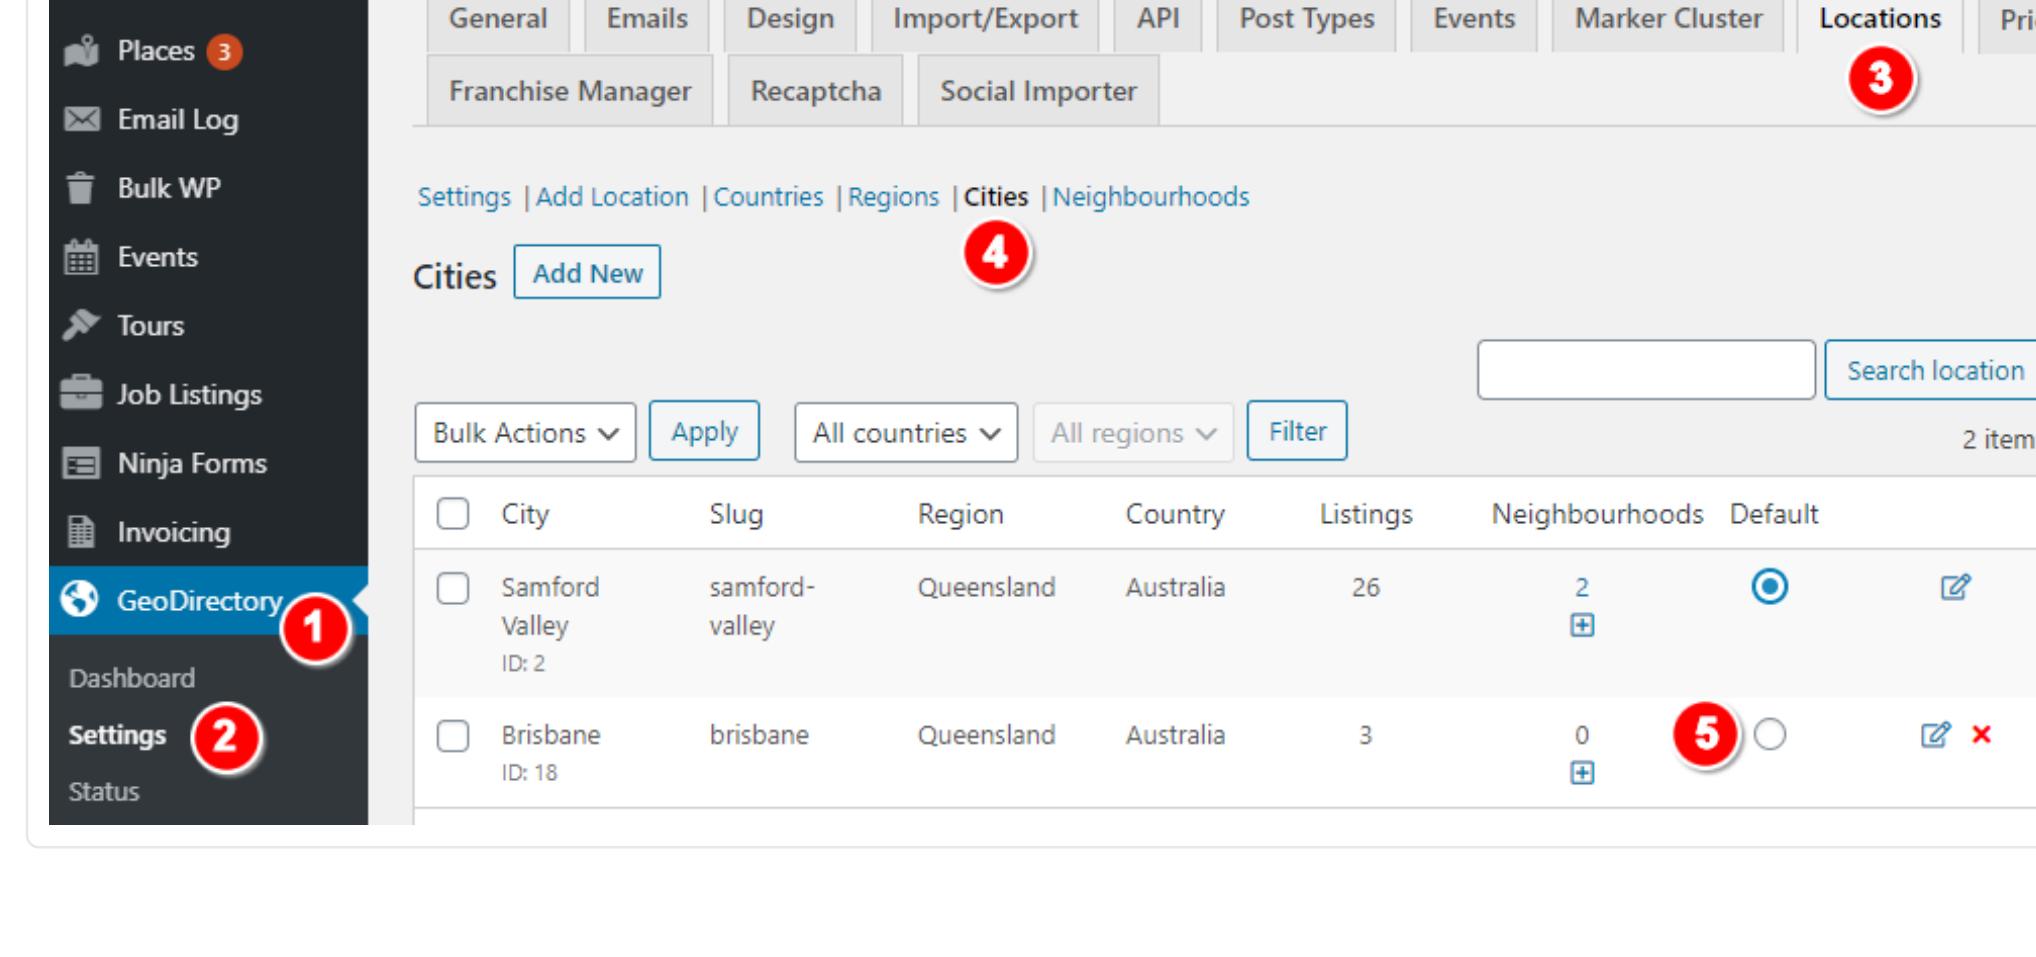

On this page

The **Default Location** for your directory is set as part of the [initial setup](#).

To change your default location:

- 1 Go to your admin area and select **Geodirectory**
- 2 Choose **Settings**
- 3 Click the **Locations** tab
- 4 Go to the **Cities** sub-tab
- 5 Choose any of your other cities as the new **Default Location**.
